

Anderson Lake – Breed (Oconto County)

The lake is 182 acres in size, maximum depth is 40 feet, and its shore length is 2.3 miles. Highway 32 follows the east shore of the lake. Everyone should wear a PFD (personal flotation device).

Boat Landing (red on map); the route from Mountain is marked in royal blue:

- From Mountain, take hwy 32 south, past “The Junction” until you reach the beginning of Anderson Lake.
- Immediately turn right onto Anderson Lake Road.
- The boat landing is on the left side of the road, 0.3 miles from highway 32.
