

## Archibald Lake - Lakewood

This lake is interesting, with islands, peninsulas and inlets. You get different views as you move around the lake. Watch for rocks and sandbars close to some of the shores.

**Route to the public boat landing** (colored in red on map):

- Drive north of Lakewood on highway 32.
- Turn left on Archibald Lake Road (at the Club 32); drive for 4 miles.
- Turn right onto Archibald Lake Parkway; there is a brown sign “Archibald Lake” on the left.
- After 0.1 mi, veer left (stay off Bells Point Road).
- After 0.8 mile, turn right (street sign says “Archibald Landing”). Landing is just over the hill; park on the side of the road.

Everyone should wear a PFD (personal flotation device).
