

## Maiden Lake – Lakewood (Oconto County)

The lake is 290 acres in size with a maximum depth of 60 feet; it has walleye, bass, and panfish. The Ginger Bread Houses located on and near Maiden Lake Road are unique in design as they were built by hand of stone and wood from the area approximately 50 years ago. Some of the cottages are available for rentals as Camp Lake Resort. Much of the lake has beautiful cottages and year-round homes.

**Boat Landing** (red on map) total of 2.2 miles from hwy 32:

- Turn west from hwy 32 onto Maiden Lake Road.
- At the Lake Association sign (about 3/4 of a mile from 32) go right.
- Turn left on Maiden Lake Landing Rd (well marked) and it's 100 yards in.
- The roads are all paved and though close parking is limited, we shouldn't have any problems.
- Just 50 yards beyond the Landing Road is the first Ginger Bread House. It's unique and those that haven't seen it might want to.

Everyone should wear a PFD (personal flotation device).
